

California State Board of Pharmacy
CPJE Statistics 4/1/05 – 9/30/05

The charts below display data for all candidates who took the CPJE examination between 4/1/05 through 9/30/05, inclusive.

The board also displays NAPLEX scores associated with any candidate who took the CPJE during this six-month period and was reported to the board, regardless of when the NAPLEX may have been taken (it could have occurred outside the six-month reporting period noted above).

The board reports CPJE performance data at six month intervals. The next report will cover performance data for 10/1/05-3/31/06.

Note: a candidate who took the CPJE twice during this period because he or she failed the examination would be counted twice. (California regulations and NABP requirements allow candidates who fail the examination to retake the failed examination after 90 days.)
